

Dear Milwaukee Deferred Compensation Plan Participant,

The City of Milwaukee Deferred Compensation Plan is currently undergoing a change in recordkeepers, moving from Nationwide Retirement Solutions (Nationwide) to Voya Financial® (Voya), which will be completed the week of October 3, 2016. Our records indicate you are currently in payment status and receive periodic payments from the City of Milwaukee Deferred Compensation Plan. Effective with the transition of the Deferred Compensation Plan to Voya® in October, the date of your periodic payment may be affected.

If you are scheduled to have your October payment processed prior to October 16, 2016, your payment will be paid by Nationwide. If you are scheduled to receive your October payment between October 16 and October 31, your payment will be paid by Voya.

Going forward, your payments will be paid by Voya according to the following schedule until your account has been paid out:

- Installments that would have processed between the 16th of the current month and the 28th of the current month will be done on the 15th of the current month.
- Installments that would have processed between the 29th of the current month and the 15th of the next month will be done on the 28th of the current month.

Should you have any questions, or wish to change the date of your scheduled payment, please contact the Plan Information Line at 844-360-MDCP (844-360-6327).

Sincerely,

Milwaukee Deferred Compensation Plan
